Ubuntu Unleashed presents comprehensive coverage of the popular Ubuntu Linux distribution. Windows users, Mac users, and Linux enthusiasts have been turning in droves to Ubuntu for a user-friendly, easy-to-use Linux distribution.

This book provides detailed information on installing, using, and administering Ubuntu. You'll learn how to set up a workstation or a server, and you'll find complete details on Ubuntu's easy-to-use desktop and productivity software.

Ubuntu Unleashed includes a range of coverage: From the software you need in your everyday work, such as the OpenOffice.org productivity suite, to how to configure your Linux desktop to run smoothly using multiple printers, shell scripts, and more.

For the hardcore Linux enthusiast, there is complete coverage of the X Window system, Linux programming, web server administration, and network administration
