Sinopsis

ISBN: 9780415319485

An introduction to the work, key ideas and influence of Gramsci, Italian Marxist theorist and political activist. Gramsci was a long term prisoner of the Mussolini regime, hence his most famous writings have been those penned in his cell, including the "Prison Notebooks" and the "Prison Letters." Gramsci's ideas about the the relationships between the rulers and the ruled, about domination, resistance and transgression, have been extremely influential in cultural studies and cultural theory.
