Sinopsis

ISBN: 9781740597371

Follow the heartbeat of America through towering forests, undulating fields, pulsating metropolises and offbeat oases. Whether day-tripping from the Big Apple's core or dreaming of the California Coast, this definitive, award-winning guide inspires you to go the distance and discover the USA's very best.

DISCOVER & DECONSTRUCT - in-depth culture and history sections offer political and paradoxical insights, while the arts section unveils America's top talents.
