Sinopsis

ISBN: 9780877795063

Hold the world in the palm of your hand with this unique, up-to-date reference. It provides a quick overview of the countries of the world and their most important regions, cities, and physical features. More than 12,000 entries cover place-names from around the world, providing vital details about population, area, location, pronunciations, and more. It also includes adjectives and nouns derived from place names.
