Nexos Media Edition, a media-rich version of Houghton Mifflin's popular Nexos introductory Spanish program, offers total flexibility for a variety of course settings. Whether your course is a traditional classroom course, a hybrid course (combination of classroom and online instruction), or taught completely online, Nexos Media Edition offers solutions via a unique combination of print and digital components. These carefully integrated resources can be combined in any way to address individual course needs. The print components include a paperback text and supporting Student Activities Manual (SAM). The digital components include a robust interactive multimedia eBook and eSAM (housed in either Eduspace or Blackboard/WebCT) that provide an array of media capabilities. Developed as an integrated program, the print and digital options can be mixed and matched to address individual course needs. In addition, students may purchase a static, downloadable PDF eBook.
