Edición: 1^a

Sinopsis

ISBN: 9780521786768

Byron's life and work have fascinated readers around the world for two hundred years, but it is the complex interaction between his art and his politics, beliefs and sexuality that has attracted so many modern critics and students. In three sections devoted to the historical, textual and literary contexts of Byron's life and times, these specially commissioned essays by a range of eminent Byron scholars provide a compelling picture of the diversity of Byron's writings. The essays cover topics such as Byron's interest in the East, his relationship to the publishing world, his attitudes to gender, his use of Shakespeare and eighteenth-century literature, and his acute fit in a post-modernist world. This Companion provides an invaluable resource for students and scholars, including a chronology and a guide to further reading.
