Sinopsis

ISBN: 9780415202428

So many questions surround the key figures in the English literary canon, but most books focus on one aspect of an author's life or work, or limit themselves to a single critical approach. Geoffrey Chaucer offers:

- *basic information on an author's life, contexts and works
- *the major critical issues surrounding the author's works, from the time they were written to the present
- *explanations of the full range of different critical views and interpretations
- * guides to further reading in each area.
