The magical properties and uses for nearly 300 plants show readers how to improve their lives using the spiritual properties of the nature around them. Entries describe how to use spells or rituals and potions that solve everything from shooing evil spirits out of a reader's house to finding the perfect mate. Susan Gregg shows readers how to concoct tinctures, oils, and bath salts, work with dried leaves, fresh plants and flowers to call in fairies and plant divas that will enhance your life.
