Sticker Mania is back again! For the original fans of the much-loved All You Need is Sticker Graphics comes this new collection of arresting and dy-no-mite designs in sticky art. Stuck on skateboards, suitcases, guitars, cars, stationery, street signs, helmets & more, stickers have always been the more ubiquitous siblings of graffiti. A thriving subculture in their own right, stickers continue to proliferate and mutate with urban trends & creative impulses. This striking, brand new box of treasures showcases the latest talents in sticky graphics for all those who just can't get enough of a sticky good thing. This package comes in 4 different colors: Green, Orange, Pink and White.
