Título: For Whom The Bell Tolls

Autor: Hemingway Ernest	Precio: \$224.00
Editorial:	Año: 1995
Tema:	Edición: 1 ^a
Sinopsis	ISBN: 9780684803357

In 1937 Ernest Hemingway traveled to Spain to cover the civil war there for the North American Newspaper Alliance. Three years later he completed the greatest novel to emerge from "the good fight," For Whom the Bell Tolls. The story of Robert Jordan, a young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain, it tells of loyalty and courage, love and defeat, and the tragic death of an ideal. In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand, in his brilliant travesty of La Pasionaria and his unwillingness to believe in blind faith, Hemingway surpasses his achievement in The Sun Also Rises and A Farewell to Arms to create a work at once rare and beautiful, strong and brutal, compassionate, moving and wise. "If the function of a writer is to reveal reality," Maxwell Perkins wrote to Hemingway after reading the manuscript, "no one ever so completely performed it." Greater in power, broader in scope, and more intensely emotional than any of the author's previous works, it stands as one of the best war novels of all time.

This masterpiece of time and place tells a profound and timeless story of courage and commitment, love and loss, that takes place over a fleeting 72 hours. Drawing on Hemingway's own involvement in the Spanish Civil War, For Whom the Bell Tolls reflects his passionate feelings about the nature of war and the meaning of loyalty.

The winner of the 1954 Nobel Prize for Literature, Ernest Hemingway is one of the true giants of modern American literature. Hemingway's punchy, pared-down style and ability to zero in on the perfect characterizing detail of a person or scene has influenced every serious novelist of the second half of the 20th century. Everyone reads him at one time or another.
