Sinopsis

ISBN: 9781423101451

Just after finding Bianca and Nico, two newly discovered half-bloods, Percy, Grover, Annabeth, and Thalia end up trapped between a helicopter and a manticore. Artemis and her Hunters save the day, but Annabeth disappears over a cliff; then Artemis rushes off to hunt a dangerous monster. Back at Camp Half-Blood, the Oracle foretells that Artemis must be rescued and makes a prediction that bodes ill for one of their number_but which one? Percy, who is supposed to remain behind while others pursue the quest, follows in search of the missing Annabeth. Their adventures range widely across the U.S., taking them to locales that include Washington, D.C., and the deserts of the Southwest and pitting them against the usual assortment of colorful adversaries. The Percy Jackson & the Olympians series is built around a terrific idea_that the half-mortal offspring of Greek gods live among us, playing out struggles of mythic scale_and Riordan takes it from strength to strength with this exciting installment, adding even more depth to the characters and story arc while retaining its predecessors' nonstop laughs and action.
