Sinopsis

ISBN: 9781585761029

The Sustainability Handbook covers the complexities, challenges, and benefits of sustainability when pursued by corporate, academic, government, and nonprofit organizations. It provides a blueprint on how organizations of all sizes can reach or exceed economic, social, and environmental excellence. The handbook offers a wide variety of practical approaches and tools, including a model sustainability policy for organizations, summaries, and tips on selecting sustainability codes, an extensive collection of sample metrics, and more.
