**Título:** Nanoscience And Technology. A Collection Of Reviews  
Form Nature Journals

**Autor:** Rodgers Peter

**Precio:** \$2755.00

**Editorial:**

**Año:** 2010

**Tema:**

**Edición:** 1<sup>a</sup>

**Sinopsis**

**ISBN:** 9789814282680

This book contains 35 review articles on nanoscience and nanotechnology that were first published in "Nature Nanotechnology", "Nature Materials" and a number of other "Nature" journals. The articles are all written by leading authorities in their field and cover a wide range of areas in nanoscience and technology, from basic research (such as single-molecule devices and new materials) through to applications (in, for example, nanomedicine and data storage).
