Sinopsis

ISBN: 9780545153577

What do they eat?

Where do they sleep?

How high can they climb?

Featuring simple text and incredible full-color photography, the Planet Earth Reader series connects kids with all the facts they want to know in an easy-to-read format. This installment focuses on the world's forests, investigating the animals that roam this unique habitat-sometimes in our own backyards.
