Editorial:	<b>Año:</b> 2002
Tema:	Edición: 1ª
Sinopsis	<b>ISBN:</b> 9780439439251

Betsy Ross knew from a young age that she wanted to be a seamstress. Later, she ran her own upholstery shop at a time when very few women owned businesses. And when she was 25, Betsy was paid for making American flags. But what was Betsy like as a girl? Did she know that someday she would play such an important role in American history? In this book, you will find out all about Betsy Ross before she made history.
