Sinopsis

ISBN: 9780205766499

Think Communication's engaging visual design distills major communication concepts, theories, research, and trends into bite-size essentials, making learning human communication not only fun, but also accessible and relatable_and at less than half the cost of a traditional text. Informed by the latest research and including numerous real-world examples and extensive, contemporary visuals, students will find that Think Communication's unique features help them to identify and understand their own communication behaviors, as well the communication behavior of others
