Fully revised and reorganized to fit the new revision of Principles of International Politics, this workbook continues to feature class-tested, user-friendly exercises that walk students through the building blocks of the strategic method, ensuring that even novice students have the opportunity to develop and hone their problem-solving skills and can successfully apply what they have learned in the text. The fourth edition of this invaluable workbook introduces students to a wide range of problems so that they master basic principles as well as test their capabilities with more challenging material.
