"Intense is the word for Ender's Game. Aliens have attacked Earth twice and almost destroyed the human species. To make sure humans win the next encounter, the world government has taken to breeding military geniuses- and the training them in the arts of war_ The early training, not surprisingly, takes the form of 'games'_ Ender Wiggin I a genius among geniuses; he wins all the games_ He is smart enough to know that time is running out. But is he smart enough to save the planet?" - The New York Times.
