There's something achingly familiar about Daniel Grigori.

Mysterious and aloof, he captures Luce Price's attention from the moment she sees him on her first day at the Sword & Cross boarding school in sultry Savannah, Georgia. He's the one bright spot in a place where cell phones are forbidden, the other students are all screw-ups, and security cameras watch every move.

Even though Daniel wants nothing to do with Luce--and goes out of his way to make that very clear--she can't let it go. Drawn to him like a moth to a flame, she has to find out what Daniel is so desperate to keep secret . . . even if it kills her.

Dangerously exciting and darkly romantic, Fallen is a page turning thriller and the ultimate love story.
