acket description.back: In all of Pinter's plays, seemingly ordinary events become charged with profound, if elusive, meaning, haunting pathos, and wild comedy. In *The Caretaker*, a tramp finds lodging in the derelict house of two brothers; in *The Dumbwaiter*, a pair of gunmen wait for the kill in a decayed lodging house. Harold Pinter gradually exposes the inner strains and fear of his characters, alternating hilarity and character to create an almost unbearable edge of tension.
