Sinopsis

ISBN: 9781451665321

In *Savages*, Don Winslow introduced Ben and Chon, twenty-something best friends who risk everything to save the girl they both love, O. Among the most celebrated thrillers in recent memory_and now a major motion picture directed by Academy Award-winning filmmaker Oliver Stone_*Savages* was picked as a best book of the year by Stephen King in *Entertainment Weekly*, Janet Maslin in *The New York Times*, and Sarah Weinman in the *Los Angeles Times*.

Now, in this high-octane prequel, Winslow reaches back in time to tell the story of how Ben, Chon, and O became the people they are. Spanning from 1960s Southern California to the recent past, *The Kings of Cool* is a breathtakingly original saga of family in all its forms_fathers and sons, mothers and daughters, friends and lovers. As the trio at the center of the book does battle with a cabal of drug dealers and crooked cops, they come to learn that their future is inextricably linked with their parents' history. A series of breakneck twists and turns puts the two generations on a collision course, culminating in a stunning showdown that will force Ben, Chon, and O to choose between their real families and their loyalty to one another.

Fast-paced, provocative, and wickedly funny, *The Kings of Cool* is a spellbinding love story for our times from a master novelist at the height of his powers. It is filled with Winslow's trademark talents_complex characters, sharp dialogue, blistering social commentary_that have earned him an obsessive following. The result is a book that will echo in your mind and heart long after you've turned the last page.
