Sinopsis

ISBN: 9780863413230

The Web Designer's Idea Book includes more than 700 websites arranged thematically, so you can find inspiration for layout, color, style and more. Author Patrick McNeil has cataloged more than 5,000 sites on his website, and showcased in this book are the very best examples.

Sites are organized by type, design style, theme, color, element and structure. Each chapter is easy to use and reference again and again, whether you're talking with a coworker or discussing website design options with a client. As a handy desk reference for design layout, color and style, this book is a must-have for starting new projects.
