Sinopsis

ISBN: 9780495601326

For over 20 years, Brannon and Feist's HEALTH PSYCHOLOGY: AN INTRODUCTION TO BEHAVIOR AND HEALTH has remained a leader in the field of health psychology for its scholarship, strong and current research base, and balanced coverage of the cognitive, behavioral, and biological approaches to health psychology. Accessible and appealing to a wide-ranging student audience--including non-majors--this reader-friendly text has enjoyed enduring success. Instructors and students alike will appreciate the concise writing style and visual program in this classic approach to the teaching and learning of health psychology. Now extensively updated to reflect the latest developments in the field, the new Seventh Edition features a stronger emphasis on diversity, additional information on complementary and alternative medicine, coverage of the latest research and cutting-edge technology, and new real-world examples selected for their interest and relevance to today's students.
