Comparing existing evidence from the USA and Europe, with a UK-based study of religion and spirituality, this fascinating book addresses the most pressing question in the study of religion today: are new forms of spirituality overtaking traditional forms of religion?

Based on the detailed study of religion and spirituality in Kendal, UK

Compares pioneering findings from Kendal with existing evidence from the USA and Europe

Provides a theoretical perspective which explains both secularization and sacralization

Offers some startling predictions about the future of religion and spirituality in the west

Is written in an accessible and lively style, and will appeal to a broad range of readers interested in the future direction of belief in the western world.
