Sinopsis

ISBN: 9780521124430

This Cambridge IGCSE Biology: Workbook is intended to be used alongside the Coursebook, and is fully endorsed by Cambridge. It contains exercises that will help students to develop the skills needed to succeed in the Cambridge IGCSE Biology examination and invites students to match their performance in some tasks against generic criteria, to help them to see what they need to do to improve. A Teacher's Resource CD-ROM is also available.
