**Edición:** 1ª

**Sinopsis**

**ISBN:** 9780262531078

Jonathan Crary's *Techniques of the Observer* provides a dramatically new perspective on the visual culture of the nineteenth century, reassessing problems of both visual modernism and social modernity. This analysis of the historical formation of the observer is a compelling account of the prehistory of the society of the spectacle. "Jonathan Crary is Assistant Professor of Art History at Columbia University. He is a founding editor of *Zone* and *Zone Books*."
