V-Ray My Way: A Practical Designers Guide to Creating Realistic Imagery Using V-Ray & 3ds Max is a practical, hands-on guide to creating some of the most stunning computer-generated images possible. It caters to the design masses; architects, engineers, interior designers, industrial designers, photographers, and enthusiasts will find this book essential in their quest to express themselves through visual communication. V-Ray My Way is an accumulation of 13 years of experimental experience and will have you creating content within minutes, help grow your company, help develop your portfolio, and help you make that career leap. Additional resources and exercises are available at the book's companion website, www.focalpress.com/cw/Wylde.
