Sinopsis

ISBN: 9780545094375

Give kids handwriting practice while exposing them to motivational and character-building quotes. The top half of the page features a quote and particularly difficult words to practice from the quote; the bottom half of the page provides room to produce a final copy. Kids can cut off the bottom half of the page to produce a mini-book filled with their best handwriting samples! Forty quotes from figures such as Benjamin Franklin, Susan B. Anthony, Martin Luther King Jr., and others are included. Cursive is D'Nealian style. Pages reproducible for classroom use. Grades 3-6.
