Sinopsis

ISBN: 9780486481784

Alexander McQueen -- the Master of the Fantastic -- is making headlines once again as Kate Middleton wore a gown designed by Sarah Burton of the House of McQueen for her wedding to Prince William. This paper doll tribute to the fashion superstar recaptures the circus-like atmosphere of McQueen s sensational shows, which combined avant-garde design with technology and performance art. Includes 3 dolls and more than 30 costumes.
