Sinopsis

ISBN: 9781588269065

What are the causes of genocide and mass atrocities? How can we prevent these atrocities or, when that is no longer possible, intervene to stop them? What are the impediments to timely and robust action? In what ways do political factors shape the nature, and results, of international responses? The authors of Responding to Genocide explore these questions, examining the many challenges involved in forging effective international policies to combat genocidal violence.
