Sinopsis

ISBN: 9781442264410

Teaching Plagiarism Prevention to College Students: An Ethics-Based Approach provides an innovative approach to plagiarism instruction by grounding it in ethics theory. By providing an ethics foundation to plagiarism instruction, this book helps the plagiarism instructor to address both unintentional and intentional plagiarism behaviors among students. This book provides tools to address why plagiarism is an important ethical issue in an academic environment. This book introduces general principles of ethics adaptable to library instruction of plagiarism in a variety of learning settings. It guides an instructor through curriculum pedagogical design drawing on library and ethics training literatures. It provides examples of materials to support the implementation of an ethical approach to plagiarism instruction. Finally, it outlines a detailed approach to assessment in order to measure changes in student reactions, learning, and behaviors as a result of this instruction. It further provides guidance in how to communicate institutional outcomes to key decision-makers
