Online trolling and other deviant behaviors have always affected online communities. As online trolling becomes widely spread, myriad questions are raised, including:

- *Who is a troll and why do trolls troll?
- *What are the enabling factors of online trolling?
- *How do members and administrators of online communities detect, interpret, and react to trolling? How can online trolling be handled effectively?
- *What is the impact of the socio-cultural and technological environments on online trolling?
- *What motivates trolling?
